

James J. Haggerty, Esq. Memorial Scholarship

The James J. Haggerty Memorial Scholarship was established to honor 1952 Scranton Prep graduate James J. Haggerty, Esq. who passed away in February of 2011.

Atty. Haggerty possessed a deep commitment to faith, family and his community which he so often attributed to the beginning of his Jesuit education at Scranton Prep. In honor of Atty. Haggerty, recipients of this scholarship, should display academic excellence, commitment to service and care for their community.

A pool of qualified candidates will be selected from financial aid applicants who, throughout the course of the admissions process, display the aforementioned traits. Candidates will then be called back for additional interviews to be considered for the scholarship opportunities.
