PREPARED to thrive.
As a Catholic and Jesuit college preparatory school, Scranton Prep’s mission is to help families form young people who are well prepared for college and who will live lives that give greater glory to God. Accordingly, we seek to form graduates who are intellectually competent, open to growth, religious, loving, and committed to doing justice. In doing so, we seek to prepare our students for college, for life, and for eternity.
Welcome to Scranton Prep! I hope that these pages and your visits to our school give you a sense of just how special our Prep Family is. As a Jesuit School, Scranton Prep belongs to a 500 year old educational and spiritual tradition. St. Ignatius and the early Jesuits believed that a strong educational foundation was vital to a strong spiritual formation, and so they set about creating a system of institutions that would educate the future leaders of the Church and the world. The Jesuits also believed that a Jesuit education was a powerful way to lift up those living on the margins of society; they committed themselves to working with young people from all socio-economic backgrounds and from all faiths. As a Jesuit-educated young woman or man, a Scranton Prep graduate will be intellectually competent, open to growth, religious, loving, and committed to doing justice.

As you and your family consider admission to Prep, our Director of Admissions looks forward to working with you. We hope you will get to know our vibrant, active, diverse, and welcoming community. Nearly 700 students come from all over Northeastern Pennsylvania, representing 44 different middle schools, and residing in more than seven counties. While these young people represent the diversity of the Lackawanna Valley and surrounding areas, they all share the common goal of aspiring to become Women and Men for Others.

We hope that your time with us and the information you receive give you a taste of what makes Scranton Prep so special. I believe firmly in the transformative power of a Scranton Prep education, and I hope you will join us in the great adventure that happens here on Wyoming Avenue!

SERVICE PROGRAMS

Scranton Preparatory School develops a graduate who has grown into a person who values service to others. Daily service opportunities are available to our students through the Alumni Service Corps office. Our students serve our community through a variety of programs such as the local soup kitchen, food drives, and church dinners. They support initiatives at Friends of the Poor, tutor grade school students, and so much more. During the summer leading into senior year, students have the option to fulfill their 50-hour service requirement through a Summer Service Program. These trips range from camps in Scranton and all the way to Native American reservations in South Dakota. In all, there are 11 different trips run by over 24 faculty members.
